Students MAY NOT be granted a language gen-ed waiver AFTER completing a HISP language course at the College of Charleston unless there are special warranted circumstances as determined by the Hispanic Studies Department Chair.

*A placement score in this range does not initially satisfy the general education foreign language requirement. The Department of Hispanic Studies requires a proficiency exam for students who place into SPAN 275 but do not wish to take Spanish classes. Students should contact the department at spanish@cofc.edu to schedule a placement test to fulfill the language requirement.
